## Description

Project of a magnificent high-tech style villa with 3 habitable floors, 4 bedrooms, 5 bathrooms, an infinity pool of 60m2 and a large garage with capacity for 3 cars. The villa is planned to have a constructed area of 330.53 m2, which means that it can be used both as a residence or as a project for sale or rent. It also has a full license for construction, which means that, when you acquire the project, you can start building it whenever you want, likewise, it can be modified or changed according to the needs of the client, so that this villa can truly become a dream place or a very successful project.
