Description

Imagine waking up every day to spectacular views of the Mediterranean from your new home in Finestrat. This development offers you the perfect combination of tranquility and comfort, located on a hillside overlooking the sea and the charming town. Enjoy the peace of a residential setting, ideal for unwinding, but with the advantage of having everything at hand: from supermarkets and restaurants to health centers, and the beaches of Benidorm just a stone's throw away. If you love nature, get ready to explore the Puig Campana mountain and its hiking trails.

In addition to its privileged location, this development easily connects you to everything you need. Alicante Airport is very close, and getting to cities like Alicante or Valencia is very simple thanks to the excellent road connections. For your shopping and leisure time, you'll find shopping centers with a wide variety of shops and restaurants in the surrounding area.

But the best awaits you within the urbanization: imagine enjoying sunny days in one of the swimming pools surrounded by gardens, relaxing while the children play in their own area, staying in shape in the fitness area, or simply enjoying the tranquility of your home. All of this, in a safe space designed for your well-being, with sports facilities, green areas, and details that will make your daily life more comfortable.

The homes have been designed to make you feel at home from the very first moment. Spacious and bright, with terraces to enjoy the views, and designed to maximize natural light. You can choose between different layouts, always with open spaces designed for modern living.

And they're not just beautiful, they're also designed for your comfort: modern kitchens, quality finishes, and details that make a difference. From the floors to the windows, everything is chosen so that you can enjoy your home with maximum comfort and style.

In summary, this development is much more than a place to live; it's a lifestyle. If you're looking for a home that combines beauty, comfort, and an exceptional location, this is your place!
