Opis

Fantastic high-end home located in a residential area belonging to the municipality of Finestrat, with a total built area of 277 square meters. This property stands out for its contemporary design, carefully considered privacy in relation to neighboring homes, and extremely high efficiency. The house is distributed over 3 floors: the ground floor consists of an entrance hall, a spacious and sunny living-dining room that has direct access to the outside, a beautifully open-plan kitchen that is fully furnished and equipped, 1 guest toilet, as well as 2 main bedrooms on the same floor, both with a dressing area and en-suite bathroom. The first floor consists of a magnificent suite equipped with its own bathroom and direct access to the terraces. The basement features 2 large open spaces that can be used for a variety of purposes, in addition to a large closed garage capable of accommodating up to 2 vehicles. Outside, we can enjoy beautiful garden areas, a chill-out zone, and an outdoor pool. Surface parking available. High-quality materials have been used for its construction and design, and the equipment of the home is extensive, including: ducted air conditioning, ACS via aerothermal energy (including 4 panels), aluminum exterior carpentry with folding and tilt-and-turn double glazing and thermal break, armored access door to the house, intercom, among others.
